

## **NEWSLETTER – FEBRUARY 2010**

### **STEPS TAKEN TO IMPROVE THE SMELL OF THE “NEST”**

On a recent Saturday, several members came up with a creative way to improve the aroma of the Eagles Nest: make pickled eggs! Tracks, Hubcap, Furrball, Digit, and Butter had a mission.....boil and pickle over 300 eggs! You have to feel sorry for people like this, as their lives must just be miserable if this is what they do on a Saturday afternoon! However, a first was witnessed: Tracks was actually seen doing something! He was seen sitting at the bar cracking hard boiled eggs and peeling the shells. Certainly, this is the most manual labor he has done in a long time! Anyway, the “mix” created by these idiots to pickle the eggs would take the paint off tin, and gas masks were issued to all in attendance. Digit was seen constantly looking at his ass to make sure the smell was not coming from him! Makes you want to eat those eggs! Don’t know how long before the calming smell of spilled beer, old cigarettes, and puke will return to the Nest, but we can only hope it is soon!

### **MEDICAL BULLITEN**

A medical marvel has happened: Coach has not been in the hospital so far this year! Wait...it’s just February!

### **TUNICA**

Yes, a return trip is being planned for April! Start hiding money from the old lady and get ready to take Memphis and Tunica by storm (or better yet, get ready to leave Tunica weeping!). Coach needs a headcount and names.....contact him. It is worth the trip to see what “system” Br. K will be using to throw his money away with, and also, it is a sight to be sitting at a table and have G-Money rubbing his own nipples for luck!

### **MIDCOAST BIKE RUN**

Our biggest event of the year is just around the corner. The date is set for April 18<sup>th</sup>. We need each Noble Eagle to plan on helping out, so mark your calendar!

### **RIDES AND COMMUNITY**

The Noble Eagles have made a commitment for more riding and more community service activities in 2010. When the call comes, ride with your brothers. When the time comes to work for our community, show up!
