LIQUOR STORES GO BROKE: THANKS TRACKS AND MENGELE

Yes, it is true. Liquor stores everywhere are closing their doors and it is not due to the economy, as a whole.

Tracks Bunch and good ole buddy Dr. Basket have quit drinking! Yes, it is true.

In conjunction with not drinking, Tracks Bunch no longer eating or smoking! Wouldn't you just love to live with Mr. Health. Geeeeez—sorry for Margie!

Fat Boy Basket is also dropping some poundage which is important

for his overall health. Plus, his old lady said lose it or lose it.....! Of course Dr. Basket's re-

sponse- "I have Cinderella fat—at midnight it all turns to peter." Ok—Doc quit taking those diet pills and get back on the sauce, you are losing all sense of reality.

On a related note, has anyone seen Coach Marriott. Ru-

mor has it he is selling his motorcycles and retiring with the wife to the Lake of the Ozarks living out his last days in a rocking chair. Good luck with that Coach we will send you post cards from everywhere the Noble Who are the Noble

TUNICA TRIP ON SCHEDULE!

The Noble Eagle run to Tunica Mississippi is right on schedule. Coach Marriott is the ride Captain, however, as usual, Br. Coonhead Caine is doing all the work.

Leave Eldon on Thursday,

April 22, 2010 @ 11:00 am. Run to Tunica and lose all our money. A group Friday may be coming down, if so, bring money as most of us will be broke.

Br. Kyle is having tailbone problems and looking for a partner to make the run at 60-80 miles then stopping. The endurance boys want to get there fast! Apparently they do not know the old Tortoise and Hare story.

MARCH 14TH—EITHER PLUG LEAVES OR ST. PATRICK’S DAY

Rumors are running wild. Is Plug Ugly actually leaving for worlds unknown or are we celebrating St. Patrick's Day?

You pick, either way we are PARTYING on March 14th! Hopefully everyone of the male persuasion can be there.

wagon. Probably.

Who says the Noble Eagles do not have fun? On a serious note, if it is a going away party for Plug Ugly (And we hope not) then you need to make special arrangements to be there. Plug is a driving force for the Noble Eagles and we will really hate to miss him for the year service. Our hope is that the plans fall through and he stays with us and helps us celebrate St. Patrick's day!

Br. Coonhead Caine partying for St. Paddy's Day

We will have plenty to eat , some green food coloring for your beer and special bar attendants to serve you as you are accustomed! YES!

Yet to hear if Tracks Bunch and his friend Dr. Basket (Mengelel) will still be on the

SICKNESS AND DISTRESS

Br. Tom Wyrick. Good Gawd—Is he getting his whole body replaced? Maybe if he got a bionic pecker he would be happy and quit worrying about those damn knees. Geeez.

Herriman, Digger Bunch, have all been sick, no one has seen them FOREVER! Of course we know that two of the three suffer from Pussyitus and the other one from analrectitus, Come on boys quit letting old age get you . Fight it all

WASHINGTON DC

Leave Wed Night May 26th after work.

Yes, The Noble Eagles again will honor the war dead for Memorial Day by traveling to our Nations Capitol leaving out of Eldon on May 26th!

This years festivities include riding the Blue Ridge Parkway and the scenic route through West Virginia (Yes the same place that Br. Kyle wrecked and was accused of being a WWII Veteran) .

We will stay outside of Washington DC so the Civil War

buffs can visit the various battlefields around Fredericktown, VA.

You need to make your reservation as soon as possible.

On the way back there will be two groups. One group that hauls ass and another group who wants to tour Amish country and a few back roads on the way back.

This run is a dedicated run that we ask all Noble Eagles to make at least once every five years. Some who have not made the run need to get

off their dead ass and make it!

MID COAST BIKE RUN!

Mid Coast Bike Run is ON! This is major deal for the noble eagles and everyone needs to participate. Special thanks to Br. Coonhead caine and Br. G-Money Sullins for their hard work!

Be sure to mark on your calendars April 17, 2010 for the pre-party at Bootleggers and

the run on April 18th—2010.

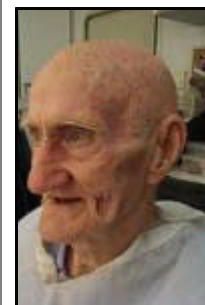

We may set up a camp-site at the Noble Eagles on the 17th. If you are interested air your tents out!

We also need a group to go visit Coach Marriott in the Lee House.

Seriously, this is the biggest fund raiser the Noble Eagles have and it is vital for 100% participation.

Br. Kyle will serve as the Camp Master for the 17th.

FRIDAY NIGHT DUD

This is a complaint! Friday nights are duds! Lets liven Friday Nights up!

How about you blue grass wannabees....bring in your sticks and play some music.....whatever happened to bingo night? What about the good old Chicago Dog night featuring Doc Jerry King?

Come on President Butter

appoint a bar manager that has some great ideas! Especially with the Spring upon us!

I think Butter has appointed himself bar manager....yuk! Come on Butter!

I do know that one reason no one really wants the Job is because everyone thinks they are the bar manager. Not everyone

should be behind the bar! Just a thought.

Yes, it is a brotherhood thing

Who are the Noble Eagles? We are a patriotic and civic organization unlike any other. To be a member requires loyalty, dedication, and the propensity to have fun. Membership takes you on a journey into brotherhood through service and dedication to your community and the United States of America. Our vision extends nationally but we never neglect our responsibility to the community in which our camp is located.

The primary mission of the Noble Eagles is to magnify an awareness of our nation's POW/MIA and to support our armed forces should any be captured or reported Missing in Action. These brave Americans cannot speak for themselves, we will speak for them. Our primary objective is to demand the return and accurate accounting of all our service members who are POW/MIA. The majority of our members ride motorcycles (we ride for those who cannot). To be a member of the Noble Eagles, it is not required you own a motorcycle, you only need a love of Country and Community.

EDITORIAL

In order to thrive and not only survive The Noble Eagles need to be revitalized. Revitalization is like revival in a church. Spirits need to be charged, the fire in the belly needs to burn, and everyone needs to recognize the Noble Eagles for what they are, a brotherhood! When we accomplish that, the rest follows.

It is important that we pick our membership carefully. No more 100 bucks on the table and you're a member. That sucks and there is no way you can get the brotherhood going. Saying you're a brother has serious ramifications. Yes, we are our brothers keepers and we may fight inwardly but to the outside we are a united front, brothers. If someone on the outside has a problem with you, then I have a problem with them. If you cannot support your brother

against and outside influence, then you need to recalculate your commitment to the Noble Eagles.

Personally, we have a couple of members that are Noble Eagles because they could afford to put the 100 bucks on the table and then very seldom do I see them. I do not look at them as brothers.

On the other hand, I have fought with almost everyone sometime or another. Yet, they are my brothers and outside of the Noble Eagles I will support them 100%. See the difference?

So it is important that we pick our brothers wisely.

Finally I want to encourage everyone to come out and support the Noble Eagles Mid

Coast Bike Run. This is huge for us

Mason's Camp will open at 1700 hrs on Friday night for camping and bon fire. Come and camp out Friday and Saturday night and attend the pre party and then work the event. I bet we can con one of our Bar B Q kings into whipping up some great chow!

Come on lets have some fun!
